

## Welcome to Monta Loma!

The Monta Loma Neighborhood Association (MLNA) welcomes you. To help you feel at home and learn more about our neighborhood, visit the Monta Loma website, [www.montaloma.org](http://www.montaloma.org). Here's a sampling:

- The neighborhood email list, mln, enables you to ask a question of your neighbors, request something you need, keep abreast of issues that affect us, offer items you no longer need, and report a lost pet.
- The neighborhood referral wiki has information of interest to Monta Loma residents such as business and service referrals, plus lists of How To, Who to Call, and Visitors Ideas (local attractions).
- Block parties are a great way to meet your neighbors. If your block doesn't have a party already scheduled, see the Block Parties page for information on how to organize one and be reimbursed for supplies up to \$150.
- The Upcoming Events, Neighborhood Watch, CERT (Community Emergency Response Team), Contacts, Neighbors Links, and Related Links pages are others you'll want to visit.
- The MLNA Board of Directors meets every six weeks and encourages your participation at any level of involvement. Contact information is on the Governance page.

The Monta Loma newsletter is delivered to your door four times a year to announce events such as our two annual social get-togethers, which feature activities for the entire family to enjoy. The Ice Cream Social is on the last Sunday in August, and the Spring Fling is on a Saturday in March.

Monta Loma Elementary School welcomes volunteers; visit [montaloma.mvwsd.org](http://montaloma.mvwsd.org) or call 903-6195.

The Monta Loma Neighborhood is the portion of Mountain View bounded by West Middlefield, Rengstorff, Central Expressway, and San Antonio. We comprise 1,008 households in a mix of condos, apartments, and single-family homes. You can print a map of our maze of streets from the About the MLNA page at [www.montaloma.org](http://www.montaloma.org). Choose the Detailed Parcel Map, either version.

Again, welcome to Monta Loma. Please contact either of us with your questions and suggestions.
