

MONTA LOMA NEWS

Monta Loma Neighborhood Ice Cream Social

¡Vengan todos a conocer y platicar con sus vecinos y amigos!
Come and meet your neighbors while enjoying free ice cream.

Sunday, August 30, 3 to 5 p.m.
Monta Loma Park

Help is needed! See below.

Things to see and do at the Ice Cream Social (ICS)

- Visit the MLNA welcome table first and sign in. Write your name and street on a nametag so your neighbors can meet you.
- Visit the ice cream toppings table for add-ons to enhance your ice cream.
- Buy a Monta Loma tee shirt.
- Stop by the PTA table to see what's new at our school.
- Visit the Monta Loma Preschooler Network's table to learn about their upcoming events.
- Donate stuffed animals to the Animals Beacons of Light (p. 3)
- Visit our Community Emergency Response Team (CERT) display. Sign up.
- Ask Gary the Balloon Man to make you a very cool hat.
- Meet members of our police department.
- Contribute some local lore or artifacts at the Monta Loma History table.
- Visit Lauren Lam's table to learn what you can plant to help fight allergies.
- Enjoy live music, again performed by violinist Nathan Ho and his friends.
- Look for the MVFD (if they're not on a call) and Gloria's cotton candy after 4:00.

Please volunteer for the Ice Cream Social

It takes many people to make the ICS a success, so please volunteer. Contact Nirvana Nwokidu at eventcoordinator@montaloma.org or 575-1917. These are just some of the ways to help:

- Staff the ice cream toppings table.
- Volunteer your folding tables.
- Pick up and return folding tables.
- Help set up and take down tables.
- Take a half-hour shift scooping ice cream.
- Take a half-hour shift at the Welcome table.
- Take a half-hour shift at another table.
- Organize a simple craft project for kids. We have supplies.

Tee shirt order deadline is Monday

See the shirt choices at www.montaloma.org/shirts. To get the size, color, and style you want, order online or contact Marilyn (marilyn@gildea.com or 940-1606) **by 5 p.m. on Monday, August 17.**

MARK YOUR CALENDAR NOW

August 17: School begins; traffic times on page 2.
August 23: Paper shredding at SMaRT Station (p. 5)
September 26: Open Garage at Google. (Insert)
October 23: Fall Festival at the school (p. 4)
December 5: Holiday Progressive Dinner (p. 4)
March 5: MLNA's Spring Fling & PTA's used-book sale

Monta Loma School traffic alert

Classes begin on Monday, August 17, so plan around these school traffic times: 8:10 – 8:35, 1:50 – 2:10, and 3:00 – 3:30. On Thursdays all students leave at 12:30.

Expect heavy traffic on the first day as most parents come early and stay for part of the morning. It will be a minimum day, with all students released at 12:30.

Monta Loma school/park boundaries

The blue signs reading “Public use of school grounds is not allowed during school hours M-F 7:30 AM to 3:30 PM” were requested by school parents due to ongoing problems with dogs on campus during the school day. The entire playing field and baseball area are school property, with the paved path the boundary. The playground on the south side of the park (nearest to Laura) is open to the public, as well as the space outside the paved path.

Refurbishing planned for Monta Loma School

By Bill Lambert, MVWSD trustee

During a meeting in June, the Mountain View Whisman School District Board gave the go-ahead for the architect and contractor to begin plans for refurbishing Monta Loma School. Monta Loma will be the first elementary school within the district to be worked on as part of the Measure G facilities bond. It was recognized that of all the schools in the district, Monta Loma needs the most work.

There will be several opportunities for the community, the school staff, and other stakeholders to be involved in the planning. We expect public outreach to begin early this fall, so please watch for announcements. Meeting notices will be posted on the MVWSD website, mvwsd.org.

Annual Meeting and Board Election report

Approximately 75 residents attended the meeting on June 4 in the community room at Google’s new Mayfield site, The Rails. After a welcome by Google’s liaison with Monta Loma, MLNA President Bill Cranston reported on the year’s activities and introduced the board candidates.

After the ballot box was passed, Patrick Neschleba and Jill Rakestraw of the Mountain View Whisman School District Board (MVWSD) Facilities Committee explained the committee’s conclusions. Patrick described the discrepancies between the schools; the committee’s top priority is the bringing all the schools up to meeting the base district standard. Other priorities are to make it easier and safer for students to walk or bike to school, and to improve the traffic flow for drivers. Patrick also described the construction plans for Monta Loma School.

Following announcement of the voting results (all candidates were elected), our second speaker, Mayor John McAlister, said that this was the largest neighborhood association crowd that he’s seen, and that ML is one of the best organized neighborhoods in the city. He answered questions, which were mostly about what the city is doing to manage the impact of growth. The Council is looking at each development for ways to mitigate the impact as much as possible. He’d like to see more mass transit (such as express commuter buses) on Hwy 85, and more Caltrain trains. He said that the best transit system in the county is the one run by Google.

This was our first time in the new Google facility and we will do some things, such as the sign-in procedure, differently in future. Everyone appreciated the room’s amenities and its convenient location, and also Google’s willingness to make it available for neighborhood events.

Board positions realignment

After the post-election board meeting, our newly elected MLNA secretary realized that she doesn’t have time for another volunteer activity and resigned. Alice Hazelgrove has stepped back into the position.

If you are interested in serving on the MLNA Board, which meets on a Monday evening approximately every six weeks, please contact any board member. See list at top left.

Are you ready for an emergency?

Having some emergency training is part of being a responsible citizen. You can check out Monta Loma's CERT (Community Emergency Response Team) at the Ice Cream Social and at any of our Saturday Sessions on the second Saturday of the month, between 9 and 11 a.m. at the trailer next to Monta Loma School. The next sessions are on September 12 and October 10. Questions? Contact Tim Slattery at tim_slattery@usa.net or 964-6389.

We encourage you to take the city's free CERT course, whether or not you join our neighborhood group. **The next series begins October 1** but don't wait to register; the June class filled early. A link to info is on the CERT page at montaloma.org, under MLNA.

Donate stuffed animals at the Ice Cream Social

By Jenise Dormann

The Animal Beacons of Light project gathers stuffed animals, freshens them, and gifts them to children around the world who appreciate something to cuddle. Bring your donations, labeled with your name, to the Ice Cream Social.

We seek new or gently used soft-filled stuffed animals between 6 and 24 inches, made of fake fur, plush, or soft cloth, and that are cute, cuddly, and in excellent condition. More information is at www.mlna.wikispot.org/Stuffed_Animals. Questions? Contact Jenise at animalbeaconsoflight@gmail.com or 954-8443.

Neighborhood Watch – prevent package theft

By Tom Purcell, Monta Loma Neighborhood Watch Captain

As online shopping increases, package theft is also increasing. For the MVPD's theft-prevention tips, visit goo.gl/CUkeab. If you suspect that a package was stolen, filing a report with the MVPD helps them establish a pattern of activity, prosecute suspects, and reunite people with their possessions. To file a report, go to goo.gl/eZ9kFb and click on Report a Crime. To see what the MVPD has recovered visit goo.gl/HfN2Li.

If you have home security cameras, include in the coverage area any area where you expect packages to be left. Cameras may not act as a deterrent, but they may confirm that your package was stolen, and may provide police with clues to the thief's identity.

To print a copy of Keeping Monta Loma Safe for your refrigerator or other handy spot, see montaloma.org/mlna/neighborhood-watch/.

Haven't scheduled your block party?

If you haven't yet planned your party, the after-summer-vacation season is a good time to hold it. A block party is great way to meet your neighbors, build the camaraderie that helps keep our neighborhood safe, and compile a list of each other's contact information to share. To promote these goals, the MLNA will help pay for your party. For how-to information, go to www.montaloma.org and click on Block Parties under Events. Scroll to the bottom of the page and click on "printable version."

In response to a request, the Monta Loma CERT group has agreed to loan its orange traffic cones to block off your street. You must return the cones in good condition within a week or replace them. (OSH sells 18-inch orange cones for about \$12 each.) To make arrangements to borrow and return the cones, contact CERT member John Thomas at johnt589@comcast.net.

Our Neighborhood Watch Captain, Tom Purcell on Alvin, would be happy to attend your party to meet your neighbors and discuss security. Contact Tom at MontaLomaNBC@gmail.com or 224-5110. To invite a MVPD officer, contact Sgt. Bryan Albarillo at bryan.albarillo@mountainview.gov or 903-6367. To invite city council members, email them all at citycouncil@mountainview.gov or individually under Council Roster at www.mountainview.gov.

THANKS TO OUR VOLUNTEERS!

Thanks to those who delivered the June newsletter: John Canata, Vannina Champenois, Donna Clarke, Jim & Alice Cochran, Bill Cranston, Birgit Grundler, Maria Harnoto, Marianna Harvey, Alice Hazelgrove (2 bundles), Chuck & Cookie Henderson, Isabella Hill & Eli, Paul Kostka, Vickie Lee, Vania Mendonca, Victoria Perry, Leane Reelfs, Jeff Regan & Helena Vervoort & family, and Pat Young.

We welcome more volunteers, even those who can help only occasionally. It's a good way to get to know your neighborhood and get an hour's exercise. Contact the editor to learn more.

City boards and commissions

Want to help make Mountain View a better place to live? Consider serving on one of the city's boards, commissions, or committees. These groups provide advice in their areas of expertise to the City Council. Being part of one gives you an ongoing first-hand look at matters that usually come before the City Council, but at the point where (sometimes substantial) changes can be made.

Advisory body openings include Library, Environmental Planning, Parks, B/PAC, Downtown, Senior, and Visual Arts. **Apply by September 30** by going to the Mountain View website at www.mountainview.gov and click on Advisory Bodies under City Council, or call 903-6304.

Google bikes and Google buses

If you see a multicolor Google bike where it probably shouldn't be, report its location and the time spotted to Google Security (253-5353) and they will pick it up. Some bikes have that phone number in the basket.

If you see a Google bus within our neighborhood (either a large white one or a medium-size black one with a "Rails Connector" sign in the front window), report the time and location to Bill Cranston (president@montaloma.org or 949-1838) and he will pass the information on to Google.

Google/neighborhood communications

A reminder that to avoid confusion and conflicting messages, all communications with Google must be through the neighborhood's designated representative and Google's designated representative. MLNA President Bill Cranston is our designated representative. You can contact Bill at president@montaloma.org or 949-1838.

Monta Loma gains third Little Free Library

The Whitson family recently built a Little Free Library on Alvin. Like Alice Hazelgrove's on Lassen and the Peifer-Brownfield family's on Hamilton, it's been very popular.

If you'd like one at your home, see littlefreelibrary.org for information. The City has authorized the MLNA to partially pay for them from our grant, so contact an MLNA board member if you are interested.

Children's story hours on Lassen

Alice Hazelgrove's monthly children's story hours in her front yard on Lassen have been greatly enjoyed. Watch the mln email list and the notice board in the park for announcements.

Progressive dinner planned for December 5

Our annual Holiday Progressive Potluck Dinner is a great way to meet neighbors while enjoying wonderful food and contributing to Second Harvest Food Bank. This year's event is scheduled for Saturday evening, December 5, so note the date. Details will be in the autumn newsletter.

Landscape conversion rebates

Rebates are currently \$2 per square foot for converting high water-using landscape to qualifying low water-using landscape. Restrictions apply, and appointments to begin the application process are filling quickly. Visit valleywater.org/programs/waterconservation.aspx or call the Water Conservation Hotline at 408-630-2554.

Shade tents are illegal in driveways

After spending \$500 to erect a shade tent in her driveway, a neighbor was forced to remove it because it violated the City Code. She warns others not to make the same expensive mistake. Mountain View City Code Section 25.4. says "... It shall be unlawful for any owner to engage in activities upon such property or to maintain or to allow such property to be maintained in such a manner that any of the following conditions or activities are found to exist: k. Any tent, temporary shelter or collapsible structure in the front or side yard and visible from a public right-of-way for a period in excess of seventy-two (72) hours or for more than two (2) occasions in a calendar year..."

Monta Loma School update

by Angela Lyon, Monta Loma School Principal

Word is out that Monta Loma Elementary is a California Distinguished School, and we've grown this year to add a fourth kindergarten class. I will host a series of Principal's coffee hours this fall and I invite all parents of preschoolers to attend and learn about MLE. Find the dates of the coffee hours at montaloma.mvwsd.org or call 903-6915. Also, you don't need to have school-aged kids to get involved in your neighborhood school. We appreciate volunteers who can tend our gardens or help with our enrichment programs such as the Lego Robotics Club.

The school staff has had its initial meeting with the architects and construction manager who will be handling the remodel of the campus next summer. We look forward to facilities that will enhance the 21st-century learning methods we're already embracing.

How to help Monta Loma School

- To donate financially, go to montaloma.mvwsd.org and click on Fundraising Opportunities; it's under Your Involvement. One option is eScrip, which sends a portion of your shopping dollars to the school.
- Fresh & Easy has joined eScrip; register at freshandeasy.com.
- To help in a classroom or at events, contact 903-6915 or montalomapta@gmail.com.
- To help with the school gardens or campus beautification, contact Lorraine Kostka at lorrainekostka@earthlink.net or 691-0491.
- To keep kids safe from pets and their droppings, please refrain from bringing dogs onto campus and the park during school hours. After hours, please clean up after your pet.

Preschooler Network plans race

The Monta Loma Preschooler Network has planned a Kids Amazing Race for October 10. This fun-filled event will challenge families to explore our neighborhood in an entirely unique way. Stop by the Preschooler Network table at the Ice Cream Social for details. (*Ed. note: Contact information is on page 3.*)

Monta Loma School Fall Festival is Friday, Oct. 23

Bring your children and grandchildren on Friday, October 23, 3:00 – 6:00 p.m. to play games, eat yummy treats, and raise money for our school at this annual fundraising event.

KEEPING MONTA LOMA CLEAN AND GREEN

Incontinent dogs should be walked in the gutter, not on sidewalks.

Young trees need water so give them a deep watering (10 gallons) near the trunk at least every two weeks during their first five years.

Water-saving tips are at goo.gl/UErkFn and saveourh2o.org.

Walkable Sidewalks: If your greenery is hampering passersby, please trim it back, and encourage your neighbors to do the same.

Hazardous waste: Visit hhw.org or call 408-299-7300 to make an appointment to drop off your household hazardous waste and e-waste. Drop off outdated medications at 2501 Embarcadero Way, Palo Alto. Go to paintcare.org/locator/ for stores accepting leftover paint. You might invite neighbors to help fill your trunk.

Peninsula Youth Theatre (PYT) will hold auditions for ages 8 to 18 for *Annie* on August 29 & 30. All who audition are cast. Go to pytnet.org for info.

Paper shredding August 22

The next shredding opportunity is on Saturday, August 22, 8:00 to noon, at the SMaRT Station, 301 Carl Rd. in Sunnyvale. You may want to arrange a carpool via the mln email list. See mvrecycle.org and click on Events, or call 903-6311.

If you shred at home, please put the shreds in paper bags, stapled shut, so they won't litter the street when the recycling cart is emptied.

Weather stations right here in Monta Loma

For really local weather information, plus sunrise, sunset, moon phase, and more, visit goo.gl/ZL42iF or goo.gl/zgjGh5. Visit starreveld.com/weather/ for more info.

Neighborhoods Committee awards city grant to MLNA

The city's Neighborhood Grant Program provides annual grants "to help resident-based groups carry out programs and activities designed to improve participation and neighborhood conditions." At the June 11 Neighborhoods Committee meeting, MLNA board members Bill Cranston, Andre Valente, and John Potter were gratified to learn that the MLNA was once again awarded \$1,500. We receive the funds when we submit receipts for our block parties, Spring Fling, and Ice Cream Social.

Birding in the Monta Loma Neighborhood: The Brown-Headed Cowbird

by Dotty Calabrese

Again this spring, I noticed Brown-Headed Cowbirds in my yard and in the neighborhood. The Brown-Headed Cowbird is the only "brood parasite" bird common in the U.S. The female does not raise her own young, instead, laying her eggs in the nests of other, usually smaller, birds. These unwitting hosts then feed and raise the Cowbird baby along with, or instead of, their own young. Meanwhile, the Cowbird female lays up to 40 eggs in the nests of other birds in a single breeding season. Many of the host species have adapted by covering the cowbird egg with a new nest, acting aggressively toward Cowbirds near the nest, etc.

Several centuries ago, Cowbirds flew along with bison herds in North America, feeding on insects stirred up by the roaming bison. Brood parasitism allowed them to stay with the herds, rather than caring for a stationary nest. Cowbirds are now seen with herds of cows, from which they get their name, as well as in suburbs, parks, and other open habitats.

If you see a 6- to 7-in. streaked brown baby bird with dark eyes and a short, cone-shaped bill begging and being fed by a much smaller bird, you've probably seen a Cowbird fledgling. Adult males are often mistaken for other blackbirds with their shiny black body, wings, and tail, until their medium brown heads are noticed. Females are grayish-brown and streaked, with lighter feathers below. Cowbirds eat seeds and insects, and are often seen foraging on the ground, walking rather than hopping.

Email your bird questions to me at dottycala@aol.com.

MOBILE LIBRARY SCHEDULE

The Mobile Library stops at Monta Loma School every Friday from 4:15 to 5:00, and also on Jane at Fay on these Fridays: Sept. 4 and Oct. 2 from 9:45 to 10:15. For more information or special requests, email Mobile.Library@mountainview.gov or call 526-7029.

Neighbors' Links web page; help keep it current

By Marilyn Gildea

The Neighbors' Links page is on the MLN website (montaloma.org) under MLNA. If your link is no longer valid or has changed, please let me know so I can update the page. If you are a Monta Loma resident who owns a business and would like to be listed, send me your name, business name/description, and the link to your site. If you know that someone listed no longer lives in the neighborhood, please contact me at marilyn@gildea.com.

NEW NEIGHBORS?

Scroll down the home page at montaloma.org to the "welcome letter" link, then print a copy for your new neighbors. Click on "New Neighbor?" under MLNA for information about our neighborhood. If you or a neighbor (whether an owner or renter) has lived here less than two years and would like a packet of local information, contact Jenny Coogan at coogan@gmail.com or 963-9811.

Oh Brother, now **EVERYONE** wants to sell bananas!

As most of you know, the Milk Pail is a Postage Stamp sized business. We've been lucky, we have survived, some say prospered, in a very tough industry that has seen a growing number of new "players".

Some of the new competitors give a new meaning to "BIG"!

A guy in Arkansas decides to stack 'em deep and stack 'em high and now we have Sam's Walmart as the number one grocery company in the United States! Not to be outdone, Target is re-inventing itself into a partial supermarket. Over in England, Tesco is the third largest retailer in the World, and they decide to try a new concept in California called Fresh & Easy Markets. Trader Joe's is owned by a German family that recently was acknowledged as the 7th wealthiest family in the WORLD.

Another new company to the Bay Area is funded by a Hedge Fund that has \$ 82,000,000,000 of investor monies. (That's Billion !)

Next time you need Bananas, remember that the little Monkeys that run your Local Neighborhood Markets are good folk, hard working, and maybe even your neighbors. The Gorillas probably don't live in your neighborhood, they might not even live in your state, or even your country!
